AME 24 Hour Tool Repair Instructions

1. Fill out the repair ticket. Please fill in all fields on the return form.
2. Call AME Repairs at **877-755-4AME** (877-755-4263) to obtain RGA # for the return.
3. Package the item(s) in a cardboard box; please place any pumps that are leaking in a plastic garbage bag to contain any fluids leaked during shipment.
4. Place the included UPS label onto the outside of the box. Be sure to note the tracking number on the UPS label for your records.
5. Place the completed repair ticket into the clear plastic sleeve onto the outside of the box.
6. Give the package to any UPS driver or drop the package off at the nearest UPS center or drop-box.
7. Your tool will be estimated within 24 hours of receipt and repaired within 24 hours of approval.

If you have any questions or need further assistance please call AME at 877-755-4AME (877-755-4263).
