Bead Breaker Upgrade Kit

Convert your existing tool to work on new 3 piece wheels

Bead Breakers that will work on new 3 piece wheels can cost thousands of dollars. You already have the tool you need. With the AME Bead Breaker Upgrade Kit, you can convert your existing tool so that it will work on new 3 piece wheels. This kit is compatible with all AME, Elrick, Esco, FEC, IMT and Stellar bead breakers.

- Convert your own tool and save hundreds of dollars!
- New tool will still work on smaller wheels
- Change 23.5 x 25, 26.5 x 25 and 29.5 x 25 with ease
- Each kit ships with installation instructions
